

Have you or a member of your household:

- Had any history of fever in the last 14 days?
- Had a cough, shortness of breath or difficulty breathing in the past 14 days?
- Had contact with a known COVID-19 patient in the past 14 days?
- Travelled out of state in the past 14 days?
- Had a history of exposure to COVID-19 biologic material
(ex: Healthcare worker)?

If you answered yes to any of the above questions your appointment will need to be rescheduled at least 2 weeks out.

Have you experienced any of the following symptoms?

- Shaking with chills
- Extreme fatigue
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

If you answered yes to any 2 of the above questions your appointment will need to be rescheduled at least 2 weeks out.
